INTERIOR DESIGN

Continuous with the build, not a separate engagement

The pillar that closes the gap this business exists to close. Space planning, feature walls, ceilings, tiling, cabinetry and lighting — specified while the walls are still going up, not bolted on once the builder has left.

WHAT THIS COVERS

Interior concept & space planning

Layout, flow and mood, decided while the walls can still move.

Feature walls & cladding

The decorative concrete range, specified and fitted.

Decorative partitions

Westmore, Apollo 3D and Peel & Stick, used to divide without closing.

Gypsum ceilings & cornices

Including cove lighting detail.

Tiling

Floor and wall.

Painting & decorative finishes

Texture, accent and specialist coatings.

Cabinetry & joinery

Kitchens, wardrobes and vanities.

Flooring

Tile, timber, vinyl and epoxy.

Lighting design

Layered, with a switching plan drawn before the conduit goes in.

Window treatments & styling

The final dressing.

Furniture sourcing

Optional, by brief.

CLADDING & FEATURE PANELS

Decorative concrete panels for feature walls and façades, from 10 mm honeycomb to 25 mm relief.

Comfort Cladding

400 × 400 × 15 mm
